Hello!

It has been great to welcome all of the children back to school this week after our half term break. The children have been busy being creative as part of our Art week and the start of our Big Idea, 'The Natural World'. Each year group benefited from working with our Forest Schools expert to forage in our school field and work in small groups to create pictures using only the natural materials they had collected. There were some fantastic creations! Soon, you will all have received the newsletters and Knowledge Organisers for this half term which will tell you all about what your children will be learning during the rest of the term.

Health and Safety

- Please note that we are taking measures in line with our Covid Risk Assessment and assessing things on a weekly basis against the number of cases we are seeing.
- In households where someone has tested positive, it is now the guidance for all household members to take a PCR test. Please inform school of the result of this. Children can continue attending school as long as they do not have symptoms.

Photography Competition

Our next 'Big Idea' is The Natural World and we thought it would be a lovely time of year to launch our Photography Competition. The theme is nature and the natural world. Entries could be photographs of scenery, an animal, leaves, insects, etc. Children need to have taken the photograph and can submit their image digitally via the school email address:

admin@carrjunior.southbank.academy

The winning images will be used to create a Carr Junior School calendar!

Entries close 8th November!

Individual Photos

During the last few weeks, Mr Bedingham has been busy taking photos of the children. The proofs will be coming out to parents next week and these will be available to purchase again in the same way that we did the class photos in the Summer term. The price for the digital copy of the photos will be £5 and the money raised from sales will go towards our School Fund. We hope you are as pleased with them as we are!

Non-uniform day Friday 12th November 2021

Next Friday, we will be having a Non-uniform day. Children are invited to wear non-uniform in return for bringing in a donation of a prize for the Christmas Fair.

Forest School

During this year, each class is having the opportunity to spend some time outdoors in our Forest Schools area. Each session is linked to the Learning Adventure that the year group is working on at the time. For the sessions, children will need to be prepared for the cold weather with a warm coat, hat and gloves and wear appropriate shoes/trainers/wellies which they do not mind getting muddy. Please find the dates below for when your child's class will be taking part.

Monday 8th November	4K
Monday 15th November	3A
Monday 22nd November	3H
Monday 29th November	3P
Monday 6th December	6J
Monday 13th December	6F

Mr Gray's handy hints to keep our children safe online!

With children's Christmas lists already starting to grow - I thought I'd point you in the direction of a firm favourite; FIFA. I have included a link to some excellent safety tips.

Happy gaming!
