Hello!

I wanted to say thank you so much for all of your responses to our Parent View Survey. I am so grateful to everyone who took the time to fill in the survey. There were so many really kind comments about what makes our school so special and I absolutely agree with them all! You also made some really valid points about how we could improve things. I will be reviewing all of your comments along with the other members of the SLT after half term and we will publish our response and be making changes during the next half term. We hope you all have a lovely weekend.

We are a NUT FREE school

We have a number of children in school who have severe allergies to nuts and seeds. Please could all parents support us by not sending any items in pack ups which contain nuts and seeds, included seeded bread. We really appreciate your help in keeping all of our children safe.

Thank you.

Health and Safety

- Please could parents ensure that children bring a coat to school with them. We like the children to get as much outdoor play as possible
- We still have children wearing earrings on their PE days. Please ensure you remove their earrings at home before school.
- Younger siblings are still riding their bikes on the play-grounds. Please ensure no children are riding their bikes once inside our school gates.

Individual Photos

Over the next few weeks, we will be taking individual photographs of all children in school. Mr Bedingham (our resident photographer) will be taking some outdoor shots so that we can make our photos affordable for all families again.

More details to follow on how you can order these.

Merger Consultation

On Monday, parents received a letter from Trustees of South Bank MAT. It shared the details of an upcoming consultation period to gather the views of all stakeholders about a possible merger with South York MAT. Please ensure that you use the consultation to ask all of your questions or raise any concerns about what this might mean for our school.

Mr Gray's handy hints to keep our children safe online!

This week we'll take a look at the online multi-player game Among Us. I can direct you to an article that highlights what it is, how it works and what you should look out for to keep children safe in the game. It's a personal favourite of my son!
