Hello!

It has been another great but busy week in school. I am pleased to report that our wasp situation seems to be getting better so we are hopeful that we will be able to get back into the hall and restart our assemblies next week. Our Local Governing Body were able to meet in person for the first time in a long time this week. It was brilliant to be able to talk about our school improvement plans in person and I look forward to sharing more about our priorities with you in the coming weeks. We hope you have a lovely weekend.

School Values

We have worked hard to develop our school values over the last few years and we would now like to share them more widely with our whole school community.

Carr Stars ...

are **friendly** and **curious** and **creative**,
have **self belief** and **determination**,
are **resilient** and **aspirational**,
are **individuals** but part of a **community**,
are **respectful**, **caring**,
and **HAPPY!**

Health and Safety

This will be a new section of our newsletter each week. Here I will share any issues which we need parents' support to keep our school community safe.

- Please could younger siblings be asked not to ride bikes on the school grounds. We had an incident earlier this week of a Junior child being hurt by an unsupervised younger sibling riding their bike across the playground. Thank you for your support with this.
- Our policy is that all jewellery (including earrings) will be removed for PE / Games / Swimming lessons. If your children are unable to remove their earrings themselves, parents must remove these either at home before school or by visiting school before the PE lessons. I have very kind staff who would do anything to help parents and children. However, I would appreciate staff not being put in the position of removing the earrings for children. This is our policy as we follow the guidance published in Safe Practice: in Physical Education, School Sport and Physical Activity which '...strongly recommends the practice of removing all personal effects at the commencement of every lesson to establish a safe working environment. This applies to all ear and body piercings, including retainer and expander earrings.'

Carr Den

We are looking for donations for our Carr Den.

Are you doing a clear out of old things at home? If anyone has any old board games, toys, Nintendo Wii, PlayStation, electronic games appropriate for the age range of 5-11 years which are still in good condition please could they be donated to our Carr Den? We would really appreciate any donations.

Thank you!
