Hello!

It has been another great week in school with the children starting to explore their Learning Adventures in more detail. We hope you enjoyed reading about what the children will be learning this term in the year group newsletters and the new Knowledge Organisers. Like last term, the knowledge organisers are for you to look at with your child and see if you can all learn some of the facts and quiz each other on them! These are used at the start of each Big Idea lesson in classes and referred to often so the more you can look at them at home, the more it will help your child to learn and remember the facts within it. The newsletters and knowledge organisers were emailed / sent home earlier this week - please ask if you have not seen these yet. We hope you all have a lovely weekend and that the sun keeps shining!

Covid-19 Notices

As you will all be aware, Omicron - the new variant of Covid-19 - is now widespread within the community and as a result, is also going to spread within school as a consequence. Once again, we are updating our risk assessments but measures in school remain largely the same as the Autumn term. The biggest risk to schools at the moment is maintaining a safe level of staffing. Below is a link to the latest guidance for parents to be aware of, including the new guidance about positive LFD test results in asymptomatic cases and negative LFD test results on Day 5 and Day 6 to end isolation earlier.

<https://www.gov.uk/government/publications/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-during-the-coronavirus-covid-19-outbreak#history>

Once again, I will keep you updated with any new developments and please do contact us with any questions or concerns.

- This week, there have been a small number of confirmed cases in each year group.

Parents Evening - Advanced Notice!

Our next Parents Evening meetings will take place in school. These are planned for Tuesday 15th February and Wednesday 16th February. Information on booking an appointment will be sent out at a later date.

Photography Competition Winners

George M	Lucas C	Buddy S	Charlie W
Evelyn R	Isaac R	Milo S	Harrison L
Jocelyn L	Aeryn A	Henry T	Lucas C

Improving our school!

Last week, on our Training Day, we were focusing on our Curriculum which is Priority 1 on our School Improvement Plan. Each of the teachers were working on developing the progression of knowledge and skills across the Key Stage for the subject they lead in school. They were also looking carefully at the 'Intent' for their subject and making sure that our curriculum supports this.

Our Amazon Wishlist

We are having a huge focus on Reading this year and we would like to update the books on our bookshelves. We would like to fill them with current reads and books children have chosen. We have created an Amazon Wishlist full of books classes have chosen that they would like to see on their bookshelf. If you would like to, or know of anyone or businesses who would like to buy us a book here is the link.

Your support is greatly appreciated!

THE NATURAL WORLD
2022 CALENDAR

To celebrate the launch of our whole-school topic 'The Natural World', pupils were invited to submit photographs illustrating the beauty of nature around them. With the phenomenal entries we were able to create this stunning calendar showcasing the children's fabulous photography skills. Over 40 spectacular images feature across the twelve glossy pages, ensuring the magnificent work of our Carr Stars can be enjoyed all year round.

Available now on ParentPay
All proceeds to the Carr School Fund

HealthyMe
