

# Carr Junior School

AIM HIGH, SHINE BRIGHT!

W/C 10th OCTOBER 2022 WEEKLY NEWSLETTER

## Hello

This week, I have been visited by a number of children wanting to show me their improved handwriting. All children have taken part in a handwriting focus as part of our English lessons and the progress made by many children is superb. In order to keep up this expectation of excellent presentation, the children are working towards gaining their very special pen licence. Some children are very close to achieving this which is something to be incredibly proud of. I will keep you updated as to how they are getting on with this challenge. Please ask the children to tell you how they are getting on with it.

Wishing you all a lovely weekend.

Mrs Kerr

## Improving our School

This week we have been working on our priority around behaviour for learning. All adults in school have been encouraging the children to make good behaviour for learning choices which help them to remain focussed on their learning and achieve more as a result. We have been really pleased that the children are rising to the high expectations we are setting. We are really looking forward to seeing more of this in action next week.

## Health & Safety and Safeguarding

If you have any concerns about the welfare or safety of a child, please contact the school and ask to speak to the Designated Safeguarding Lead (Mrs Vicki Kerr) or the Deputy Safeguarding Lead (Miss Daniella Harrison).

Once again, we are concerned about parking around the school entrance and the safety of children when cars are dropping children off at the school gates. Please DO NOT pull into that area in your car as it is not safe. Please also park considerably to the residents and consider parking further away on adjacent streets or up at the Co-op and then walking round to the school. This would really help to reduce the number of cars near the school entrance and would keep everyone much safer. Thank you.

## We are Eco Warriors Landing Event!

You are all invited to come and see the fantastic work the children have been creating as part of their Learning Adventures towards our Big Idea. The Landing event will be in the form of an exhibition and will take place Thursday 3rd November 3.15pm - 4pm in the school hall.

Everyone is welcome to come and have a look round. The children have worked so hard and will be really proud to share their learning with you.

### **Site Manager vacancy**

A few weeks ago we advertised a Site Manager vacancy. If you know anyone who is interested in the role, please point them in the direction of our website. The details have changed slightly from the original advert after some feedback about the working hours so please have another look. Thanks!

### **Spooktacular Stone Search!**

You are all invited to take part in our fun, spooky activity around the school grounds on Tuesday 18th October straight after school. Please see the poster attached for full details. Children and adults are welcome to wear their spooky accessories as part of the fun. We ask that these are not worn in school on Tuesday though please. We hope you have some spooky success!

### **Mr Gray's handy hints to keep our children safe online!**

Doxxing, or doxing, is a scary problem that can put your family members and their real identity in danger. Being doxxed is a form of cyberbullying. However, there are things you can do to stay safe.

<https://www.internetmatters.org/hub/news-blogs/what-is-doxxing-and-how-can-you-keep-your-child-safe/>

### **Earrings and Nails!**

It has been brought to our attention that some children are still wearing earrings for PE / Swimming. Children should be able to remove their own earrings as staff are unable to do so. If your child is unable to do this themselves then they should come to school on their PE / Swimming day without their earrings in. Any children who are unable to remove their earrings will unfortunately miss their PE/Swimming class. Plasters are not to be and cannot be used in covering pierced ears. This information was provided to all Year 3 and Year 5 parents/carers in the September letter informing them that their child would be doing swimming lessons this term. Information was also provided in the Year 3 Welcome packs and is also on our website under 'Parents and Community - Uniform - Accessories'.

It has also been noted that more and more children are wearing nail polish and sometimes fake nails. Please could parents ensure that children are not coming to school wearing nail polish. Fake nails are not appropriate for school. If children have these on, you will be contacted to ask that they are removed before the children are next in school. Thank you.

TUESDAY 18TH OCTOBER

# SPOOKTACULAR STONE SEARCH

CAST A SPELL FOR SOME CREEPY CARR FUN, JOIN US FOR  
A FRIGHTFUL FAMILY TRAIL AROUND THE SCHOOL  
GROUNDS - FOLLOW THE MAP AND UNSCRAMBLE THE
