AIM HIGH, SHINE BRIGHT!

W/C 11TH DECEMBER 2023 WEEKLY NEWSLETTER

Hello!

We hope the children came home buzzing with excitement after the panto yesterday. We were so proud of how well they coped with the walk to the theatre - hardly any moaning about tired legs at all! The children LOVED the show and got straight into the spirit of it, joining in with all the booing and clapping - it was great to see their faces!

It has been such a Christmassy week with our craft day on Monday and all the Christmas dinners. Thank you to the Dolce staff for our delicious dinners this week! Our Christmas movie night was a great success. Christmas parties are now starting to take place too.

This will be my last newsletter of 2023 with us only having the children in school for 3 days next week so I would like to take this opportunity to wish all of our Carr star families a very Merry Christmas and a Happy New Year from all of us at Team Carr. We look forward to working with you in 2024!

Next week we are looking forward to our Carol Concerts on Tuesday and Wednesday and hope to see lots of you there.

Mrs Kerr

Safety outside the school gates!

Along with us, some of the children and parents have noticed more cars parking in unsafe places (e.g. on the zigzag lines) outside school and cars going much faster than they should be past the entrance to the school and road beyond. Please could we ask that ALL parents join us in trying to keep the children and families safe outside school. There have been some near misses in the last few weeks which have been terrifying for the children and families involved. Please drive safely around school.

In the meantime, parents and school have asked for support from City of York Council and we have reported unsafe driving to the police. Please could we ask that all concerned parents contact the following email address as the more people who do this might mean that we will have more chance of getting a safe crossing place. Thank you! I also urge you to report dangerous driving to the police like we have. network.monitoring@york.gov.uk

Tweet of the Week!

Health & Safety and Safeguarding

- Please send children to school with coats on so that we can still play outside in the colder and wetter weather.
- We have noticed an increase in the amount of children who have nits in their hair. Please could all parents check their children's hair thoroughly this weekend and treat any head lice immediately. Thank you.
- A reminder that we are a nut free school. This means that children should not bring any sandwiches / snacks to school which contain any spreads etc which contain nuts.
