## Hello!

What a great first week back and start for our final half term of the year! A huge thank you to all those who joined us on Friday for our Jubilee picnic. It was such a wonderful sight seeing our children and families back together on the school field again enjoying precious time together, seeing the gallery of the Queen's life in the school hall and joining together as a school community. We can't wait to do more events like this before the Summer so watch this space for more details!

## Improving our School

Last week, we focussed on Priority 2 of our School Improvement Plan: Progress and Attainment of vulnerable groups. Teachers were looking particularly at inclusion and how we can best support our SEND learners in the classroom by having excellent knowledge of each individual child. TAs also had training on how to support children with dyslexia by using ACE dictionaries to find correct spellings.

## Health and Safety and Safeguarding

You will notice from this week that all staff will be wearing a navy blue lanyard as part of a new South Bank MAT lanyard protocol. All of the children understand how our new lanyard protocol can help to keep them safe. Ask them to tell you about the three colours to see if they have understood it well!

## Advance Notice!

We will be holding a Wellbeing Week in the week beginning 11th July. There will be more information coming out to you soon about the week but, as part of this, we are planning to hold our **Sports Day** on **Tuesday 12th July** during the morning, followed by a family picnic lunch. Save the date!

## Lolly Trolley

The popular Lolly Trolley is making a comeback! The Lolly Trolley will be out on Tuesday and Thursday evening after school from next week. All lollies and ice creams will be £1.

## Our Amazon Wishlist

We are having a huge focus on Reading this year and we would like to update the books on our bookshelves. We would like to fill them with current reads and books children have chosen. We have created an Amazon Wishlist full of books classes have chosen that they would like to see on their bookshelf. If you would like to, or know of anyone or businesses who would like to buy us a book here is the link.

<https://amzn.eu/igIXozC>

Your support is greatly appreciated!

We are beyond grateful to all those who have already purchased us a book from our wishlist. It has been lovely delivering the new books to the classes this week!

## Introducing the Wellbeing in Mind Team!

Hello, we are the Wellbeing in Mind Team. We are a team of qualified mental health professionals who are now working in your child's school.

Carr Junior school is one of 8 education settings in York that can now access wellbeing support and advice via our new team. The focus of our work in school will be around promoting positive mental health and wellbeing and early intervention, helping to raise awareness about the common problems young people experience and how to deal with them. The team will also support the school to develop a 'whole school approach' to wellbeing. We are very passionate about helping every child be happy and healthy. We strive to do this by working with everybody from school staff to families and children themselves. We are also able to offer group work in school and we have already done a talk in an assembly about wellbeing. We are an NHS service, operated by Tees, Esk and Wear Valleys NHS Foundation Trust (TEWV).

We are really looking forward to working with everyone at Carr Junior School.

The Wellbeing in Mind Team.

Shelley

 6J - 99.04%  
 6MW - 91.20%

Mr Gray's handy hints to keep our children safe online!

With most entertainment content such as films, TV programmes, and games now being accessed over the internet, children are now able to watch content wherever and whenever they're online. To make sure they don't stumble across things they shouldn't, you can use our parental control guides to set the right controls on their sites and apps to keep them safe.
