AIM HIGH, SHINE BRIGHT!

W/C 13TH NOVEMBER 2023 WEEKLY NEWSLETTER

Hello!

It has been such a busy week in school. Thank you so much for supporting us at home this week with all of the busy things we have had going on.

Lots of children wore their odd socks to school on Monday for the start of Anti-Bullying week. We had 3 days of very competitive maths going on with taking part in the England Rocks, TTRockstars event. The children looked amazing dressed up as rock stars yesterday and their times tables speed and knowledge have really impressed us all! We will have full results to share next week but we definitely broke into the top 50 schools in the country at times yesterday which is incredible.

Thank you again for the kind and generous donations you have sent into school today for Children In Need. It was lovely to see the children with their spotty accessories and giving so generously. We raised a grand total of £129.50!

We hope you have a lovely weekend!

Mrs Kerr

Parents Evening

It was brilliant to see so many parents in school on Wednesday evening. We hope you enjoyed seeing your children's work and talking to their teachers. Thank you for the feedback which you left for us. It is always good to hear what else we could be doing to improve and make things better for our Carr Stars and their families. Please remember that parents are always welcome to raise concerns and ask questions via our school office, email or by speaking to the staff.

Attendance!

Attendance at school is really important.

Attendance at the start of the week was very poor. It has got better towards the end of the week and was brilliant yesterday for our TT Rockstars day.

Health & Safety and Safeguarding

- Please send children to school with coats on so that we can still play outside in the colder and wetter weather.
- We have noticed an increase in the amount of children who have nits in their hair. Please could all parents check their children's hair thoroughly this weekend and treat any head lice immediately. Thank you.
- A reminder that we are a nut free school. This means that children should not bring any sandwiches / snacks to school which contain any spreads etc which contain nuts.

School Improvement Priorities

In school, in line with our School Improvement priorities, children have been working hard since the start of the Autumn term on their handwriting and presentation in their books. I have started to put time aside each week to see some children who the teachers are recommending for a Pen Licence. Over the last 2 weeks, I have been able to give out quite a few Pen Licences which is superb and there are lots more children working hard to achieve them. It is great to see the children working so hard to improve the quality and accuracy of their handwriting. Well done!

Mr Gray's handy hints to keep our children safe online!

Children will always want to own gadgets and tech products and as they get older may ask for their own mobile phone or tablet. When buying devices for your child it can be difficult to know what to look out for from an online safety perspective and what's age-appropriate. Internetmatters.org have created a handy tech guide for you.
