AIM HIGH, SHINE BRIGHT!

W/C 14th NOVEMBER 2022 WEEKLY NEWSLETTER

Hello

This week has been Anti-Bullying Week. The theme for this year has been 'Reach Out' with the purpose being to encourage children to know who they can speak to if they are worried about themselves or others. In assembly, we talked about all the staff (teachers, TAs, Pastoral team, Office team) who the children could talk to if they are worried about bullying. It would be great if parents could reiterate this message at home.

Mrs Kerr

Improving our School

This week, we have been looking more at our behaviour systems in school. We were really lucky to be able to visit another school in York to discuss systems, policies and practice which are having a great impact on behaviour and attitudes to learning. I look forward to updating you on our progress as we review our policies and practice.

Health & Safety and Safeguarding

Now that it is getting darker much earlier in the evenings, it is important that children can be seen when they are walking to and from school, especially when they are walking without an adult. Bright colours or reflective strips on coats or bags really help to make sure children can be seen.

Your Views

Yesterday, we shared the annual parent survey with you. The survey is made up of a set of standard questions via a Google form. Thank you to those parents who have already completed it. Please could I ask those who haven't filled it in yet to spare us a few minutes to answer the questions within the form. It is really important for me to hear your views so that I can respond to your feedback. Those of you who have children in Y4 or above will know that after reviewing your feedback I will always respond with solutions, where possible, so that we can keep improving our school. I really appreciate your time and thoughts.

Children In Need

Thank you so much for your support today and generous donations. The children looked great in their spots, Pudsey outfits and non-uniform and we have raised a huge £211.25!

School Uniform

Thank you so much for making a huge effort with uniform. We are so impressed with how smart the children are looking at the moment. Those who are not wearing uniform are now few and far between which means that they do now stand out quite a lot. Therefore, if children are not wearing the correct uniform, office staff may be contacting you to ensure that this is not happening on a regular basis. On PE days, the children are still required to wear their school jumpers or cardigans with their white T shirts underneath. Thank you for the big effort - it is making a massive difference in school.
