Hello!

As well as enjoying the sunshine, there has been so much great curriculum work going on this week in classes. Some classes have been doing lots of investigative work in Science. Some have been enjoying DT projects linked to their Learning Adventures which they have really enjoyed. Once again, we would like to say a big thank you for supporting our fundraising efforts today with our 'Day for Ukraine'. The children have looked lovely in their blue and yellow and we have raised a massive £294.60. Thank you for your generosity!

Covid-19 Notices

We seem to be experiencing more cases of Covid amongst staff again and there is a significant shortage of supply teachers available. Please can I ask that you continue to bear with us as this will invariably have an impact on the in-class support your children will be receiving and there may be last minute changes to staff around school. We can only apologise for this and can assure you we are doing our absolute best in extremely challenging circumstances. Thank you for your ongoing support.

- We are awaiting the changes to guidance which may be in place from 1st April and I will keep you updated on those as I get confirmation.
- This week there have been some cases in each year group in the school.

Health, Safety and Safeguarding

- If you have a concern about a child's safety, please contact school to discuss your concern. The Designated Safeguarding Lead is Mrs Kerr, and the Deputy Safeguarding Lead is Miss Harrison.
- Please remind your children to push their bikes until they are out of the school gates when they are leaving at hometime. Thank you for your support.

Improving our school

Last Friday, I had the pleasure of attending a Headteacher's Conference which was great for sharing expertise with other leaders across the city and there were some inspirational speakers delivering key messages. Many of these were aligned with our school improvement priorities particularly in the areas of attainment and progress of vulnerable groups and wellbeing.

Year 6 SATs Parents Meeting

We will be holding a parents/carers information meeting about the upcoming SATs tests which will be taken by our Y6 pupils soon.

Please come along to the meeting on Wednesday 6th April 3.30pm-4pm in 6J.

The Y6 pupils will sit their SATs tests in the week beginning 9th May.

At the meeting, the Y6 teachers will explain the timetable for the tests, how we will be supporting the children during the week, and what can be done at home to help the children prepare.

There will also be the opportunity to look through some sample test papers so that parents can see the standard of the papers and understand the requirements of the children.

We hope to see lots of parents there.

We need some baking help!

We are holding a cupcake/bun sale on Tuesday 29th March to raise money for school funds. The buns will be available to purchase at 30p each in both playgrounds at morning break time and at the main gate after school.

We would love to see the children getting involved with baking and seeing their creations being enjoyed by their friends. If you are able to bake some small cakes and buns for us to sell that would be very much appreciated.

All bun donations can be handed in at the office or to your child's teacher on Tuesday morning.

As a nut free school, we cannot accept any baking that contains nuts or chocolate spread. Due to allergies within school we are also unable to accept any baking that contains seeds including seed oils.

Thank you so much and happy baking!

Our Amazon Wishlist

We are having a huge focus on Reading this year and we would like to update the books on our bookshelves. We would like to fill them with current reads and books children have chosen. We have created an Amazon Wishlist full of books classes have chosen that they would like to see on their bookshelf. If you would like to, or know of anyone or businesses who would like to buy us a book here is the link.

<https://amzn.eu/jglXozC>

Your support is greatly appreciated!

We are beyond grateful to all those who have already purchased us a book from our wishlist. It has been lovely delivering the new books to the classes this week!
