AIM HIGH, SHINE BRIGHT!

W/C 23rd JANUARY 2023 WEEKLY NEWSLETTER

Hello!

Wow, this week has been so busy! We have had lots of visitors in school this week from across our Trust and they have been looking at some of our key priorities with us from our School Improvement Plan. I am so proud of the children and how confidently they are able to talk to visitors about their learning and about how they feel when they are at school. It is lovely when children say how happy they feel at school and that they have really good relationships with the staff.

We hope you all have a happy weekend!

Mrs Kerr

Health & Safety and Safeguarding

- Please could we ask that parents / carers come closer to the doors that you are collecting your children from at the end of the school day. This is so that the children can point out to the staff who is collecting them more easily and we know that the children have gone to the right person.
- Please could we ask that parents / carers do not let younger siblings play on the large equipment on the field at home time. It can be slippery at this time of year and there are no staff around to monitor the children playing on it.

Thank you.

Improving our School

This week, as mentioned above, we have been busy with South Bank Trust looking at how far we have come towards our targets and priorities and planning what we need to do next to keep on improving. We are thrilled with how quickly the children are improving their writing - some children's independent writing has improved beyond anything we could have imagined in such a short space of time. It will be great to share with parents when we have our next Parents Evening next half term.

Teacher Strikes

I wrote to all parents about the strike day on Wednesday 1st Feb earlier this week. At this stage we are still expecting school to remain open to all pupils. Parents / carers will be informed if this position changes.

Reminders for Next Week

- We are looking for a new parent governor. Please take a look at the letter which was sent home if you are interested in joining our Local Governing Board.

Dolce

From 1st April, the school meals price will be going up to £2.60.

Mr Gray's handy hints to keep our children safe online!

Social media scams have become increasingly common in recent years. Often, the victims are children because they may be more vulnerable to these types of attacks due to their lack of experience and knowledge about online safety or due to the inability to use critical thinking skills efficiently. Follow the link below to find out more.

Friday Coffee Morning

It is lovely to see parents / carers joining us for our coffee morning on a Friday between 9am and 9.45am.

The Wellbeing in Mind Team would like to come along to the mornings to meet our families and they have asked me to find out if there are any particular themes that parents would find useful for them to provide information / advice about. An example they gave was sleep. If you can think of anything which you would like advice about, please send me an email using the admin@carrjunior.southbank.academy address and I can share your suggestions with the team. Thank you in advance!
