## Hello!

We can't believe we have reached the end of another half term! It has been a short one but extremely busy. I hope that you all enjoy the Jubilee bank holidays next week and all the celebrations that will come along with it. We are looking forward to having our own Jubilee celebrations in school in the first week back as we launch our new whole school Big Idea. Please look out for information about how to book a free parent picnic lunch to help us celebrate.

We wish you a happy holiday!

## Lolly Trolley

The popular Lolly Trolley is making a comeback! The Lolly Trolley will be out on Tuesday and Thursday evening after school from next week. All lollies and ice creams will be £1.

## Year 6 entrance

After half term, the children in Y6 will be leaving school through the double doors onto the Lower school playground. This is to help us to reduce congestion of children inside the Y5/6 corridors at the end of each day.

## Can you help?

We are in need of a plumber to help us repair a few small leaks. The plumbers we have contacted so far have said that the job is too small for them to do so if you know of anyone who could help out, please get in touch with the school office. Thank you in advance!

### Our Amazon Wishlist

We are having a huge focus on Reading this year and we would like to update the books on our bookshelves. We would like to fill them with current reads and books children have chosen. We have created an Amazon Wishlist full of books classes have chosen that they would like to see on their bookshelf. If you would like to, or know of anyone or businesses who would like to buy us a book here is the link.

<https://amzn.eu/iglXozC>

Your support is greatly appreciated!

We are beyond grateful to all those who have already purchased us a book from our wishlist. It has been lovely delivering the new books to the classes this week!

## Mr Gray's handy hints to keep our children safe online!

I came across this article recently and thought it would be useful to share - Quick 'hacks' on various video-sharing and social media platforms have become popular. And content farms have found a way to engage lots of people in short periods of time. But many of the videos they create have content that could seriously harm young viewers.

Join us for a family fun session to learn more about how we're going green in Acomb. We'll be playing games, using recycled materials to make planters or seed bombs to bring our own little bit of wild to the streets of York. Booking is essential and children must be accompanied.
