Hello!

One week to go until the Easter holidays will be upon us and we will have successfully managed to teach the children in school for two solid terms - for the first time in three years - with no interruptions! Over the last couple of weeks the children have been completing their end of term assessments and so you will soon be receiving the termly report for your child to let you know about the progress they are making. This will be sent home next Thursday. If you have any questions about the contents of the reports, please don't hesitate to ask by sending an email to the school office for the attention of your child's class teacher.

Covid-19 Notices

We seem to be experiencing more cases of Covid amongst staff again and there is a significant shortage of supply teachers available. Please can I ask that you continue to bear with us as this will invariably have an impact on the in-class support your children will be receiving and there may be last minute changes to staff around school. We can only apologise for this and can assure you we are doing our absolute best in extremely challenging circumstances. Thank you for your ongoing support.

- New guidance has been released this week which is focussed on 'living with Covid'. The implications for schools are that children / staff with high temperatures and illnesses affecting the chest, they should stay at home until they feel better. There is no asymptomatic testing. Any adults testing positive for Covid should remain at home for 5 days and children should stay at home for 3 days and then they can return to school.

Health, Safety and Safeguarding

- If you have a concern about a child's safety, please contact school to discuss your concern. The Designated Safeguarding Lead is Mrs Kerr, and the Deputy Safeguarding Lead is Miss Harrison.
- Please remind your children to push their bikes until they are out of the school gates when they are leaving at hometime. Thank you for your support.

Improving our school

This week, we have been focussing on Priority 4: Wellbeing from our school improvement plan. We have been liaising with the Wellbeing in Mind Team to discuss our plans for the next term which include policy development and starting talking to the children about their wellbeing. We are looking forward to introducing the children to the members of the team after the Easter holidays.

SchoolGrid

We have changed the process of ordering school meals on SchoolGrid slightly and you will now require a credit on your account or have a Direct Debit set up to be able to place orders.

Please note this does not affect your account if you are entitled to Free School Meals.

If your SchoolGrid account is not in credit or does not have a Direct Debit set up, you will no longer be able to place an order for a meal provided by the school. You can top up your account by making a card payment via your SchoolGrid account or you can set up a Direct Debit via your SchoolGrid account (if your outstanding balance is less than £16)."

If you have any further questions, please do not hesitate to contact Dolce Customer Care at customercare@dolce.co.uk / 01942 707709.

Our Amazon Wishlist

We are having a huge focus on Reading this year and we would like to update the books on our bookshelves. We would like to fill them with current reads and books children have chosen. We have created an Amazon Wishlist full of books classes have chosen that they would like to see on their bookshelf. If you would like to, or know of anyone or businesses who would like to buy us a book here is the link.

<https://amzn.eu/jglXozC>

Your support is greatly appreciated!

We are beyond grateful to all those who have already purchased us a book from our wishlist. It has been lovely delivering the new books to the classes this week!

I HAVE A VERY PARTICULAR SET OF SKILLS

Are you like Mr Neeson and have a particular set of skills that you could share with the children at Carr Junior School?

We are always looking for ways to enrich what we offer the children and are looking for any adults in the community with skills they can pass on. It can be anything. We already have a variety of clubs running in school but the children are keen for more. In a recent survey they have asked for many options including sports, art, cookery, languages, writing, maths, drama and computing.

We will get you through DBS clearance and all we ask is that you run the group for around six sessions, ideally weekly and afterschool (3.15 start), though it could be a lunchtime session.

If you have an idea or want to ask any other questions please email me: gf@carrjunior.co.uk or call school 01904 798996

Many thanks.

Easter 2022 Holiday Club

Mon 11th April - Thu 14th April
at Sheriff Hutton Primary School York, YO60 6SH

8:30am - 3:30pm
Children from all schools welcome
