AIM HIGH, SHINE BRIGHT!

W/C 3rd OCTOBER 2022 WEEKLY NEWSLETTER

Hello

This week, our new Common Room opened for the Y5 and Y6 children. This is a new lunchtime provision which Miss Harrison is going to run every day for the whole lunchtime. Each day, the children have had the opportunity to go to the Common Room in their class groups. They have really enjoyed trying out the new facilities in the room which have been very kindly donated to us.

We hope you all have a lovely weekend.

Improving our School

This week we have been working closely with the other schools in South Bank Trust. The Reading leaders from the primary schools have all been working together to develop a shared approach to the reading curriculum and agreeing the standards from Early Years to the end of Key Stage 2.

Health & Safety and Safeguarding

If you have any concerns about the welfare or safety of a child, please contact the school and ask to speak to the Designated Safeguarding Lead (Mrs Vicki Kerr) or the Deputy Safeguarding Lead (Miss Daniella Harrison).

Once again, we are concerned about parking around the school entrance and the safety of children when cars are dropping children off at the school gates. Please DO NOT pull into that area in your car as it is not safe. Please also park considerably to the residents and consider parking further away on adjacent streets or up at the Co-op and then walking round to the school. This would really help to reduce the number of cars near the school entrance and would keep everyone much safer. Thank you.

Online Parents Evening

You will have received a letter last week to book your 5 minute slot with the class teacher at our **online parents evening on Wednesday 12th October**. This first meeting of the year is a great opportunity to meet the class teacher and hear how your children have settled into their new classes. It is a quick meeting which acts as an extra to the longer, face to face parents evening which will take place in the Spring term. Don't forget that you will also receive the termly reports at the end of each term so that you know how your children are getting on regularly throughout the year. In addition to this, if you have any ongoing concerns, you can make an appointment to see the class teacher separately or arrange for a phone call. Thank you for your support with your children's learning.

Site Manager vacancy

A few weeks ago we advertised a Site Manager vacancy. If you know anyone who is interested in the role, please point them in the direction of our website. The details have changed slightly from the original advert after some feedback about the working hours so please have another look. Thanks!

Wellbeing in Mind Team

The Wellbeing in Mind Team have recently completed some work around healthy friendships with some children in their classroom last term. We looked at what it means to be a friend and the characteristics we may look for in a friend such as being kind and caring. Healthy friendships also mean learning to be respectful and trusting of each other. Having healthy friendships is a crucial part of our lives that helps us to feel good about ourselves. Our friends can keep us grounded, help us to put things into perspective, and make us feel happy.

Admission Consultation for 2024-2025

As part of South Bank Multi Academy Trust our school participates in the Local Authority Coordinated Admissions Scheme. Part of that scheme is to hold an annual coordinated admissions consultation in line with the Schools Admission Code 2021. For more information on the consultation process and to view a copy of the Trust's draft admission policy for admissions in 2024-25 please visit

<https://www.york.gov.uk/CoordinatedAdmissionConsultation>

The consultation period will run from 3rd October to 13th November 2022.

Earrings and Nails!

It has been brought to our attention that some children are still wearing earrings for PE / Swimming. Children should be able to remove their own earrings as staff are unable to do so. If your child is unable to do this themselves then they should come to school on their PE / Swimming day without their earrings in. Any children who are unable to remove their earrings will unfortunately miss their PE/Swimming class. Plasters are not to be and cannot be used in covering pierced ears. This information was provided to all Year 3 and Year 5 parents/carers in the September letter informing them that their child would be doing swimming lessons this term. Information was also provided in the Year 3 Welcome packs and is also on our website under 'Parents and Community - Uniform - Accessories'.

It has also been noted that more and more children are wearing nail polish and sometimes fake nails. Please could parents ensure that children are not coming to school wearing nail polish. Fake nails are not appropriate for school. If children have these on, you will be contacted to ask that they are removed before the children are next in school. Thank you.
