## Hello!

It has been a great week in school but a little quiet as most of our Y5 Carr Stars have been away on their residential visit at Kingswood. They have had an amazing time and have really impressed the staff with their positive attitudes and resilience - we are so proud of them! I would like to say a HUGE thank you to the staff for organising and leading the visit, giving up their family time in the evenings and giving the Y5 children memories to last a lifetime. We can't wait to hear all about their adventures!

## Covid-19 Notices

As you will be aware, there have been changes to the guidance for positive cases and contacts of positive cases. We are following the recommended guidance and ask that any children or staff testing positive remain at home for 5 days and then return to school once they have had 2 negative test results 24 hours apart.

Our latest Risk Assessment is being updated and I will let you know once it is complete for your information.

- This week there have been very few cases in Y3 and Y5

## Health and Safety

Please do not pull into the school entrance to drop off or collect children at school. This is very dangerous for pedestrians crossing the entrance but also for the children as we have witnessed parents letting children get out of the cars into the pathway of traffic on the road. We will be using the traffic cones from next week to discourage this and ask that parents support us in trying to keep all children safe. Thank you.

## Improving our school

This week, as part of Priority 1 of our School Improvement Plan: Curriculum and Learning, we welcomed in a colleague from the Yorkshire Maths Hub who spent time watching Maths lessons across school and interviewing our Maths leaders. It was great to have lots of our successful work in Maths recognised and gave us some actions to work on to keep making improvements in the subject. We also enjoyed working with teachers from Carr Infant School again this week and continuing our work on the wider curriculum.

## Brand New Catering Service!

Coming soon... From Monday 28th March, we will be having a brand new catering service providing our school meals. The catering company is called Dolce. There will be some letters sent out to parents early next week with more information and then parents will be contacted to set up their new accounts for booking and paying for meals. We think the new menus will be delicious and we hope that more children will give the new meals a go!

## Red Nose Day

It is Red Nose Day next Friday 18th March! We will be supporting this great cause and raising money by asking the children to wear non-uniform and preferably something red (or some Red Nose Day accessories). Please could the children bring a donation to school of upto £1 if they would like to take part. Thank you for your support.

## Mr Gray's handy hints to keep our children safe online!

Give your child a safe space to explore their curiosity online! Mr Gray would like to direct you to some step by step guides that will help you to set up the right controls and privacy settings to give them a safer online experience!

## Our Amazon Wishlist

We are having a huge focus on Reading this year and we would like to update the books on our bookshelves. We would like to fill them with current reads and books children have chosen. We have created an Amazon Wishlist full of books classes have chosen that they would like to see on their bookshelf. If you would like to, or know of anyone or businesses who would like to buy us a book here is the link.

Your support is greatly appreciated!

We are beyond grateful to all those who have already purchased us a book from our wishlist. It has been lovely delivering the new books to the classes this week!

The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the term (usually 10-15 weeks) every child will receive a merit Trophy and course Certificate, with chances to win extra trophies including Penalty Shoot out, American Shoot out and Champions League Competitions.

The cost of the course is £7 per week, which is payable every four weeks (£28) with the first payment due on week one.
