AIM HIGH, SHINE BRIGHT!

W/C 7th NOVEMBER 2022 WEEKLY NEWSLETTER

## Hello

I hope that you have all had a good week and that you are looking forward to the weekend. This week, Y6 were lucky enough to be invited to watch the dress rehearsal of the show 'Matilda' at York High School. Opportunities like this in Y6 are so important for transition and building aspirations for the future. The children (and staff) all came back so enthused by the show. Although, they did get absolutely drenched by the downpour of rain that afternoon - great resilience Y6!

Next week, we will be raising awareness of the impact of bullying by celebrating Anti-Bullying Week in school. This year's theme is 'Reach Out' and the importance of talking.

## Improving our School

This week, we have been conducting our Teaching Assistant appraisals. Our TAs work so hard to support children in school with such differing levels of need. It has been great to discuss how they can best support the children in the classes they are in now and how they can communicate the progress they are seeing the children make towards their personal targets with the class teachers.

## Health & Safety and Safeguarding

There are still children without coats at school. Now that the weather is colder and wetter please ensure that you are sending children to school in appropriate coats for the weather so that these can be worn at playtimes. Wherever possible, we will play outside so the children need to be wrapped up warm and dry. Thank you.

## Your Views

We will shortly be sending out the annual parent survey. The survey will be made up of a set of standard questions and will be sent out via a Google form. Please could I ask that you spare us a few minutes to answer the questions within the form. It is really important for me to hear your views so that I can respond to your feedback. Those of you who have children in Y4 or above will know that after reviewing your feedback I will always respond with solutions, where possible, so that we can keep improving our school. I really appreciate your time and thoughts.

### **Talk Money Week**

This week is Talk Money Week - a national initiative encouraging people to have open conversations about money, money management and even money worries.

In school, we had an assembly on Monday to discuss some key questions around money and the pressure to spend, alongside strategies for money management such as saving and budgeting. Throughout this half term we will be putting this into practice with our 'Save or Spend?' project, through which classes can save or spend tokens for extra breaktime!

In case you would like some ideas to spark discussions about money at home, please, find attached some useful flyers from The Family Building Society. If you do decide to try any of their activities, we would love to see what you have been up to on Twitter (@CarrJuniorYork).

Take care everyone,

Miss Munday

PSHE Subject Leader

### **Children In Need**

Next week, on Friday 18th November we will be celebrating Children In Need day. The children are invited to wear non-uniform in return for bringing in a donation up to £1. The theme is SPOTacular so they can be as spotty as they like! Thank you for your support with this.

### **Mr Gray's handy hints to keep our children safe online!**

As part of Anti-Bullying week next week <https://www.internetmatters.org/> has compiled a great deal of information for both parents/carers and children to help keep them safe online. Please click on the link to find out more.

### **School Uniform**

Thank you so much for making a huge effort with uniform. We are so impressed with how smart the children are looking at the moment. Those who are not wearing uniform are now few and far between which means that they do now stand out quite a lot. Therefore, if children are not wearing the correct uniform, office staff may be contacting you to ensure that this is not happening on a regular basis. On PE days, the children are still required to wear their school jumpers or cardigans with their white T shirts underneath. Thank you for the big effort - it is making a massive difference in school.

### **Advance Christmas Dates!**

We know that this time of year starts to get very busy so here are a few dates to put in the diary.

Thank you.
