Thursday Maths games	Quiet activities folders	Social time and toast	Fresh air break	Maths	Phonics		English	PD		Quiet activities folders			Wider Curriculum Reflection/visual timetable of tomorrow
Friday Jigsaws	Quiet activities folders	Social time and toast	Fresh air break	Maths	Phonics		English	PD		Quiet activities folders			Wider Curriculum Reflection/visual timetable of tomorrow

LIFE IN NURTURE

In Nurture, there will be a particular focus on the development of social and emotional skills through focussed intervention. Children will have daily opportunities to take part in activities rooted in the Nurture philosophy which focus on relationship building, and the acquisition of communication and life skills. Children will also have differentiated access to the Primary Curriculum, which will be focussed on filling gaps and increasing resilience.

Home-school communication - every morning and afternoon, there will be a member of staff on the door. There is a section for short messages in children's planners. You can also phone or email the school office and messages will be forwarded to teachers.

Pupils arrive at school at 8.40am and home time is 3:15pm. Some children are collected from the main Nurture door, and some are collected from their year group doors.

PE - Some children will take part in PE sessions with their year group class. Nurture PE takes place on a Thursday. Children can come to school in appropriate PE kit on these days.

BEHAVIOUR

The Three Carr Rules

Be Ready

- We arrive on time every day and ensure we are not late for lessons
- We have remembered what we need for each task
- We demonstrate positive body language and maintain eye contact
- We are ready to learn, we stay focused and work to the best of our ability
- We respond quickly and positively when given an instruction

**Aim High,
Shine Bright**

Be Respectful

- We are polite and show respect for all members of the school community
- We are tolerant of others and we celebrate our differences
- We listen carefully when the teacher or another person is talking, making sure we do not disrupt the lesson
- We always do as we are told by all our staff - first time, every time
- We treat our resources and the school environment with care and respect
- We remain in our seats unless we have permission to move
- We wait for the right time to speak in lessons and don't interrupt others

Be Safe

- We move carefully and around the school, keeping our hands to ourselves
- We follow our keep to the left system to make sure we all feel safe
- We intervene when something isn't right and try to support those who might be vulnerable
- We know that verbal and physical aggression is not tolerated
- We only use permitted areas in school and ensure we are at the right place at the right time
- We know that safe adults in school will be wearing a lanyard

LUNCH AND BREAK TIMES

At breaktime children may bring a snack to eat. It could be:

- Fruit
- Cereal bar (nut free)
- Fruit winders / yoyos or something similar
- Yoghurt coated raisins or fruit pieces

Snack Stop is also available which now stocks lots of the above items. Snack Stop is 25p.

We are a nut free school so please ensure that lunch items and snacks are nut free (sorry, no Nutella!)

Parents may book their child's lunch in advance each week via School Grid or children can book on the day.

Children will have at least two playtimes with their year group peers, and two 'fresh air breaks' as a Nurture class. Ad hoc breaks may also be taken according to children's needs.

At lunchtime, some children access bespoke provisions. Children can move between playgrounds at lunchtime allowing them to socialise with their siblings and children from across school.

HOMWORK

Currently, we are committed to ensuring the children are settled into the routines in Nurture, and recognise that any further demand placed on children could be a trigger for challenging behaviours. If you can support at home, you can support your child to:

Read at least 3 times per week!

Engage in TTRockstars to support learning their tables.

In future, spellings may be set weekly (stuck in planners)

ONLINE SAFETY

A large focus this half term will be online safety. This will involve learning how to be responsible online, and the potential dangers and impacts of social media.

We **STRONGLY** recommend that children (or any primary age children) do not have access to apps such as TikTok, Whatsapp, Instagram, Twitter, Snapchat etc. All of these have minimum ages in their terms and conditions because they know that these platforms are not suitable for the primary age range, due to potential dangers, and risks of children being exposed to unsuitable, upsetting or confusing materials.

Every year we have to work closely with children who have been upset by these platforms, even to the extent of involving the police.

HOW TO GET INVOLVED

Follow us on twitter @CarrJuniorYork - best place to see what we get up to and for the latest news!

See Weekly Newsletter which is emailed out on a Friday.

Visit our Carr Junior School website.

Look out for any Nurture based events planned throughout this year!

Become a reading volunteer by speaking to the office.
