supervised groups. We have a wristband for each child with contact phone numbers on in the very unlikely event that they become lost during the visit.

The concert begins at 7.00pm and finishes at 8.45pm. As you can appreciate, it may take us some time to get back to the coach and for the coach to leave the car park due to the volume of people taking part. As a result, although we are hoping to return to school for 10.15pm, we may be later than this. We will keep parents updated via X (formerly Twitter). Please make sure the school office has your most up-to-date contact details.

If you need to contact your child in an emergency, outside of school hours, you can do so by ringing the school mobile on 07483114035. At the end of the concert, the audience will be asked to leave first, and then the children will be accompanied by our staff back to the school coach and back to school. Children will **NOT** be allowed to go home with their family straight from the arena. Please ensure that you have made arrangements with your child for their safe collection from school when we return. Staff will remain in school until all children have been collected.

If you have ordered a Young Voices T-shirt pack for your child, it will be kept in school and given out on the morning of the trip to ensure no one forgets or loses theirs before the concert. If you have purchased audience tickets, they will be ready to collect from the school office from Monday 5th February at 3.15pm.

We know the children are really excited and so are the staff. We are all looking forward to a fantastic evening and an event we will all remember for a long time.

Thank you for all your support.

Yours faithfully,
Mrs V Kerr
