**Charanga**

We chose Charanga to help deliver Music across school because it allows us to fully cover the National Curriculum, ensuring that pupils make progress in an integrated, practical, exploratory and child-led approach to musical learning. Charanga is chosen by thousands of schools across the country to deliver the primary music curriculum and many schools in York also follow this scheme. Charanga provides a repetition-based approach to learning. Learning about the same musical concept through different musical activities enables a more secure, deeper learning and mastery of musical skills, which we have found works well for our children. The lessons in the scheme expose the children to a wide range of musical styles with opportunities to listen, perform, compose and improvise. The children enjoy learning using the scheme as the lessons are engaging and challenging, while also offering support for children with SEND or those who lack confidence in this subject area. The music curriculum is currently delivered by 1 teacher throughout the school, however this scheme fully supports teachers who are non-music specialists to deliver the music curriculum effectively.

**Tailoring Music at Carr**

At Carr Junior School, we use the Charanga scheme to teach music from Y3 to Y6. In order to supplement the Charanga curriculum, we also ensure that pupils learn about a number of significant pieces of music during their time at Carr Junior School. Pupils are immersed in some of these pieces of music as they enter and leave assembly and study the life and work of a great composer as part of our 'Create' Big Idea in Autumn 2.

Here are the great composer and musicians studies in each year group:

- Year 3 - Antonio Vivaldi and The Four Seasons
- Year 4 - Camille Saint-Saens and The Carnival of the Animals
- Year 5 - Gustav Holst and The Planets
- Year 6 - Tchaikovsky and The Nutcracker

Programming Music is also taught through our Computing scheme of work.

**Carr Junior School Assembly Music Timetable**

Developing children's knowledge of significant pieces of music is an important part of their education at Carr Junior School. As a result, we have a 3-year cycle of assembly music which pupils listen to as they enter and leave the hall for assembly. A different piece of music is played each half term. Where possible a video of an orchestra playing these pieces is shown on the hall screen to support pupils' understanding of the music and the parts played by sections of the orchestra. Teachers leading the assembly will discuss the music and refer to a poster in the hall about the piece and its composer. The table below sets out the sequence of music pupils will learn about.

CYCLE A	PIECE AND COMPOSER
AUTUMN 1	Edvard Grieg: In the Hall of the Mountain King from 'Peer Gynt' <a href="https://www.bbc.com/teach/ten-pieces/KS2-3/z7nf3k7">https://www.bbc.com/teach/ten-pieces/KS2-3/z7nf3k7</a>
