September 2021

Headteacher Mrs V. Kerr

Dear Parents and Carers,

As part of our Big Idea 'Out Of This World', we have booked the amazing Wonderdome to visit us at Carr Junior School and bring their Planetarium with them. This will take place on Friday 10th September 2021. Throughout the day, each class in school will take part in a workshop inside the planetarium to learn all about our solar system, the stars in the sky and explore space!

If you would like to opt out and don't want your child to be involved, please let the office or class teacher know. We would love all of our #carrstars to be involved as it will be a fantastic opportunity for them. There is a cost involved so we would be grateful if you could please provide your child with a £2.00 contribution via ParentPay, by Friday 10th September. Unfortunately, if we do not have sufficient funds we will have to cancel the planetarium.

If you have any questions then please don't hesitate to contact your child's teacher.

Yours Sincerely,

Mrs Hunton

AIM HIGH, SHINE BRIGHT
