17th October 2023

Headteacher Mrs V. Kerr

Dear Parents

As part of our wider curriculum and careers education, the Royal Navy have offered to run a fun workshop for our Year 6 children. The workshops will consist of leadership tasks, problem solving, drill sports and STEM activities.

This event will take place during the morning of Tuesday 7th November. There is no cost to the workshop. The children should come to school dressed in their PE kits.

Please email school if you would prefer your child not to take part in the workshop.

Yours sincerely,
Sarah McClure
