SATS WEEK Tuesday 9th May 2023

Headteacher Mrs V. Kerr

Dear Parents/Guardians,

Tuesday 9th May is the start of SATs week. We hope your children are feeling prepared but not overwhelmed and it really is nearly over! Please can you ensure that the children have a good night sleep prior to each day so they are fresh and ready to do their best.

Breakfast

On Tuesday-Friday of SATs week we open the school canteen for all children at 8:15am and have some breakfast ready for them. This is as much about getting the children into school with their friends as it is about breakfast. We have found that if any children do have any nerves in the morning, the breakfast experience is good at calming them down. Children can still have breakfast at home and just come in from 8:15 to chat with their friends. Whilst this is optional, in our experience it is very beneficial.

The Tests

Here is a table to show the tests that the children will complete on each day.

Tuesday 9th May SPAG	AM - Spelling, Punctuation & Grammar paper PM - Spelling test
Wednesday 10th May Reading	AM - Reading Test
Thursday 11th May Maths	AM - Arithmetic AM - Reasoning 1
Friday 12th May Maths	AM - Reasoning 2

AIM HIGH, SHINE BRIGHT

Tuesday 16th May - Celebration at Homestead Park, Clifton.

To celebrate the end of SATs and the hard work the children have put into them, we intend to go to Homestead Park for the majority of the school day on Tuesday 16th May. We will take sports equipment, play games and use the play areas they have. We will walk to and from Homestead Park and take a packed lunch - school can provide a packed lunch. Please fill out the attached packed lunch order form and return to the school office by Monday 15th May. Children must wear comfortable PE type clothing (especially in terms of footwear) and bring drinks, caps, coats and sun cream as appropriate. We will only not go if the weather is looking against us. We will make the decision the day before.

Kind regards,

Year 6 Team

AIM HIGH, SHINE BRIGHT
