<https://www.pgl.co.uk/en-gb/school-trips/resources/promotional-videos/primary-schools-videos>

We are really pleased as this is first residential in such a long time, so many children are coming, it is a great way to create lasting memories as they leave primary and it is happening in the summer!

Wednesday 15th June

Children to arrive at school at the normal time as we will depart from school around 9:30am.

They will need to have with them:

- Any medications (see later slides)
- All kit required in suitable bags (see later slides)
- BEDDING (there will be a sheet on the bed only)
- A packed lunch, ideally in something disposable
- Without their phones. Staff will be contactable on the school mobile.

Medication

Medication **needs** to be prescribed and a medical form from the school office must be completed.

The only exception to the above are travel sickness pills. Please administer at home any travel sickness pills on the day of travel, and hand over to staff pills (with completed medical form) for the journey back. Travel sickness pills are the only medication we can give out without a prescription.

Please let staff know about any other sensitive matters that we may need to know.
