Dear Year 6 Parents/Carers

I am writing to you with details of the Revision Books which we shall be ordering for those who would like to buy them. As you are aware, we are working hard with the Year 6 children to prepare them for the next steps in their learning and the Year 7 curriculum. We have found that spending some time at home revising key concepts taught in school is very beneficial to the children.

The Year 6 staff have surveyed the various revision books on offer and have selected the JustMaths - Ready Set Go! book for its clarity, level of detail and coverage of the curriculum. It also covers both Fluency and Reasoning skills.

The book contains both a guide and practice questions. The books will be in reception if you would like to have a look at it when attending parents evening. You can also see a sample page by clicking on the link below.

The book costs £7.50 and is available to order on ParentPay. Please order by Thursday 3rd March.

Yours sincerely,

The Year 6 Team
