25th November 2022

Dear Parents/Carers,

Following last term's Learning Adventure – Our Frozen Planet - the children would like to raise money for the WWF charity. To do this, we are planning a sponsored indoor skip on Monday 5th December 2022.

This will be a fun event with the children challenging themselves, seeing how many skips they can do in 10 minutes. To add to the enjoyment factor, we will have some fun competitions too!

Each child will be provided with a skipping rope and will be given 10 minutes to accumulate as many jumps as possible. This should be a really fun way to raise some money for a very good cause. It would be greatly appreciated if your child could collect some sponsors for taking part in this event.

Thank you for your ongoing support.

Yours faithfully,

Miss Pinder and Mrs Hepworth
