Headteacher Mrs V. Kerr

30<sup>th</sup> November 2022

Dear Parents/Carers,

As part of this term's Big Idea - Game Changers, and our Y4 Learning Adventure - The Past, The Present, The Future - the children would like to raise money for the Motor Neuron Disease Association. To do this, we are planning a sponsored run on Friday 6<sup>th</sup> January.

Inspired by Kevin Sinfields' Ultra 7 in 7 marathon run earlier this month, the children have decided to base their own charity event around the number 7 too. This will be a fun event and will involve the year group completing a 7km route. Each child will only have to complete 1km each as we are going to do it as a relay. The children can choose to complete their 1km in whichever way they wish. This could be running, jogging, walking or even dancing. We would like the children to come in appropriate clothing for this event however as it is for the MND Association we will have a theme of blue, orange and white.

We are hoping to raise as much money as possible for the MND association as the children are very passionate about the work they are doing for people and families battling this terrible disease so any help towards us achieving this would be fantastic. Please find attached a form for your child to collect their sponsors.

Thank you for your ongoing support.

Yours faithfully,

Miss Arksey, Mr Maskell, Miss Kelly & Mr Gray
