Headteacher Mrs V. Kerr

16th November 2022

Dear Parents/Carers,

Following last term's Learning Adventure - The Land Down Under - the children would like to raise money to adopt a koala. To do this, we are planning a sponsored indoor archery contest on Thursday 24th November.

This will be a fun event with children shooting at our indoor targets, seeing how many points they can accumulate. To add to the enjoyment factor, we will have some fun competitions too!

Each child will be given 6 arrows to see how many points they can score in any section of the target board. The children can either be sponsored per point (maximum score is 30) or for taking part in the event. We are aiming to raise £65 in our mission to adopt a koala so any help towards us achieving this would be fantastic.

Thank you for your ongoing support.

Yours faithfully,

Miss Munday and Mrs Hunton

AIM HIGH, SHINE BRIGHT
