

# *Science Selfie Competition*

## *STEM Week 2024 - Time*

As part of STEM week for 2024, Carr Junior are launching a special Science Selfie competition based on the theme 'Time'.

There are lots of ideas out there for you to try at home, like making a water clock or sundials.

## *STEM Week 2024 - Time*

As part of STEM week for 2024, Carr Junior are launching a special Science Selfie competition based on the theme 'Time'.

There are lots of ideas out there for you to try at home, like making a water clock or sundials.

If you decide to enter, you need to send a video or photo of you doing your experiment to Miss Arksey by Wednesday 20th March.

There will be 2 winners per year group and a certificate for every entry.

These will be announced on Thursday 21st March.

I can't wait to see what you can all do. Good Luck!
