Dear Parent/Carer,

Carr Junior School – Behaviour Policy Summary for Parents

I wanted to get in touch with all of our families at the start of the school year to explain some small changes that we are making to our behaviour system at Carr Junior School. This has been launched with the children already and we are off to a flying start - you may have seen children coming out of school with bronze and silver stickers! The main change to our behaviour system is that we want to celebrate our children's excellent behaviour within school and share this with families.

Behaviour System Summary

All classrooms use our **"Going for Gold"** behaviour system:

- **Green**: All pupils start here daily
- **Bronze, Silver, Gold**: For positive behaviours
- **Yellow, Orange, Red**: For behaviours needing correction

Children are now able to move their names on our behaviour trackers to Bronze and Silver and will receive a sticker when this happens. Please ask your child what they did to receive their Bronze or Silver sticker! 10 Silver awards means that a child will earn gold and get their picture added to the 'Hall of Fame'. Hopefully we will see lots of our Carr Stars moving to gold by the end of the year!

Unfortunately, sometimes children may make wrong choices. On the rare occasions a child repeatedly makes a wrong choice, red behaviours are recorded and may result in escalating consequences.

Each term, children start on zero reds, regardless of how many they may have received the previous term. Our main aim is always to support any children who may be struggling to get back on track.

We want to work with all of our Carr families to support the children in fulfilling their potential and being as successful as possible. You can find the full behaviour policy on the school website.

Laura Winston
Head of School
