Instrumental Music Lessons

Dear Parent,

Music in Schools (York) is an organisation that teaches KS2 children to play musical instruments in schools. We are passionate about encouraging children to learn an instrument and have been teaching in primary schools for over 20 years.

We will be hosting our annual parent information meeting at the end of the school day on Wednesday 1st October where we will be available to speak with parents/carers and provide more details about our music scheme and the opportunities available for pupils. There will also be time for children to try instruments if they wish.
