Important Update on School Uniform Purchases

Dear Parents and Carers,

I am writing to inform you about an important change regarding the purchase of our school uniform starting from **1st November 2025**.

From this date onwards, we will no longer be selling school uniform through ParentPay. Instead, all uniform items will need to be ordered directly from School Trends, which you can access through the following link: School Trends Uniform. This will enable you to have your orders delivered directly to your home, providing greater convenience for you.

We currently have a limited stock of uniforms available for purchase before the transition on 1st November. We will process refunds for any sizes we cannot supply, and you will still have the option to place an order through the School Trends website.

If you have any queries or need assistance with your orders, please contact the school office.

Thank you for your continued support.

Warm regards,

Laura Winston
Head of School
