09 October 2025

Dear Parent/Carer,

To support our learning in Science, we have arranged an exciting trip for the children in Year 3 to visit the National Railway Museum and Wonderlab.

This trip will take place on **Friday 14th November** during the school day and is free of charge. In order to make this possible, we will be walking to and from the National Railway Museum. We will set off from school at 9:45am and expect to return at approximately 3:15pm.

During our visit, the children will spend time in the Great Hall, where they can explore the developments in train travel throughout the ages. They will also have the opportunity to visit the Wonderlab — a science-themed area featuring 18 hands-on challenges that allow children to explore and learn about a variety of scientific concepts.

As we are walking, please ensure your child is dressed in comfortable shoes and brings a coat suitable for the weather. All children should bring a named water bottle for the walk and to use throughout the day. Before exploring the museum, we will stop for a snack and a drink. You may provide a snack from home, or send 30p for your child to purchase something from our Snack Stop before we leave.

Children will be having lunch at the museum, so please provide your child with a packed lunch. If you would like school to provide one, please order via Aspens in the usual way. Lunches, drinks, and snacks will be carried by the children, so please ensure everything is packed in a comfortable, named bag or rucksack.

Please note that **Friday 14th November is also Children in Need Day**, which our school will be celebrating by wearing spots. As Year 3 will be on a school trip that day, children are still welcome to wear spots, but they must wear their school jumper or cardigan over the top to ensure they are easily identifiable while out of school.

Although the trip is free of charge, we still require your permission for your child to attend. Please confirm your child's place on ParentPay by **Friday 7th November** so that we can finalise groups ahead of the visit.

If you have any questions, please speak to your child's class teacher.

Yours sincerely,

Year 3 teachers
Miss Arksey Mrs Hepworth Miss Bedda
