As we approach the festive season, we're excited to launch our "12 Days of Christmas Attendance Challenge", running from Tuesday 2nd December to Thursday 18th December 2025. We aim to promote and reward outstanding attendance in the final weeks of term.

During this period, we would like every pupil to be present at school each day, helping us maintain strong attendance and finish the year on a positive note. Each child will receive their own star chart, where they can tick off each day they attend throughout the challenge.

We've also incorporated our usual festive fun and traditions to make the event even more enjoyable. Each day, we'll spin the festive prize wheel for every year group, and a winner will be drawn at random from all the pupils in attendance that day. The lucky winners will receive a special Christmas-themed prize. At the end of the 12 days, any pupil who has been in school for all 12 days will be entered into a grand raffle draw to win a festive hamper.
