Spelling, Punctuation and Grammar

click to see all text

- A test is given on Punctuation, Vocabulary and Grammar
- This test lasts for 45 minutes and requires short answer questions, including some multiple choice. 50 questions, worth 50 marks.
- A Spelling test is administered containing 20 words, lasting approximately 15 minutes. 20 marks
- Marks for these two tests are added together to give a total for Spelling, Punctuation and Grammar.

Reading

click to see all text

- The Reading Test consists of a single test paper with three unrelated reading texts.
- Children are given 60 minutes in total, which includes reading the texts and answering the questions.
- A total of 50 marks are available.
- Questions are designed to assess the comprehension and understanding of a child's reading.
- Some questions are multiple choice or selected response, others require short answers and some require an extended response or explanation.

Mathematics

click to see all text

- Children will sit three tests: Paper 1, Paper 2 and Paper 3.
- Paper 1 is for 'Arithmetic' lasting for 30 minutes, covering calculation methods for all operations, including use of fractions, percentages and decimals.
- Questions gradually increase in difficulty. Not all children will be expected to access some of the more difficult questions later in the paper.
- Papers 2 and 3 cover 'Problem Solving and Reasoning', each lasting for 40 minutes.
- Pupils will still require calculation skills but will need to answer questions in context and decide what is required to find a solution.

Homework

click to see all text

- In addition to the usual homework (Reading x 3 (minimum), TT Rockstars x 5 and spellings) there may be additional homework around themes we feel the children will benefit from.
- This homework is optional, with a heavy emphasis on doing it. There will be rewards for those that do it!
- This will start after half term up until SATs week.

Do SATs matter?

click to see all text

- Prepare for secondary school

SATs help students develop the basic skills they need for secondary school, like reading, writing, and maths.

- Identify areas for improvement

SATs results can help students identify their strengths and weaknesses, which can help them in secondary school.

- Predict GCSE results

SATs results can help predict how well a student will perform in GCSE exams.

- Introduce students to formal exams

SATs help students get used to the experience of taking formal exams, which can help them prepare for future exams.

How to Help Your Child

click to see all text

- First and foremost, support and reassure your child that there is nothing to worry about and they should always just try their best. Praise and encourage!
- Ensure your child has the best possible attendance at school.
- Support your child using SAT's revision books.
- Reading, spelling and arithmetic (e.g. times tables - TT Rockstars, Spelling Shed)) are always good to practise.
- Talk to your child about what they have learnt at school and what book(s) they are reading (the character, the plot, their opinion).
- Make sure your child has a good sleep and healthy breakfast every morning!
- We will offer SATS breakfast that week.
