Dear Parent/Carer,

We are pleased to share with you our chosen charities for this academic year and how the children will be involved in supporting them across each term. Throughout the year, our aim is to support a local charity, a national charity, and a global charity, helping the children develop an understanding of how they can make a positive difference at different levels.

We kicked off the autumn term by supporting our local charity, St Leonard's Hospice. As part of this, the children took part in the Reindeer Rush and had the opportunity to learn more about the vital work of the hospice through visits and assemblies led by their team. This was a valuable experience that helped the children understand the importance of supporting our local community.

For the spring term, we are proud to support our national charity, Dogs Trust. Throughout the term, the children will participate in workshops and whole-school assemblies, where they will learn about the work of Dogs Trust and, importantly, the importance of staying safe around dogs.

As we move into our final term (Summer), the children will focus on choosing a global charity to support. Using their understanding of British values, particularly democracy, the children will vote for a charity of their choice that they feel is important on a global scale. As a school, we will then select one charity to support together.

We are incredibly proud of the children's enthusiasm, empathy, and engagement in supporting others, and we look forward to sharing more updates (In our school newsletter) with you throughout the year.

Thank you for your continued support.

Kind regards,

Miss Bedda
(PD lead)
