Dear Parent/Carer

Important Update: Key Stage 2 Results Delay

I am writing to provide an update regarding the delivery of this year's Key Stage 2 (KS2) test results.

We have been informed by the Department for Education that there is a national delay in the release of results to schools, caused by a system issue at the provider, Pearson Education Limited.

What this means:

- Results are now expected to be available on 16th July 2026 (previously 7th July 2026)
- This delay will not impact your child's transition to secondary school.
- This is a system issue only; it does not affect the quality of the tests or the accuracy of your child's results.

We understand this may be frustrating and we appreciate your patience. We will share your child's results with you as soon as possible once we receive them on 16th July.

If you have any questions, please do not hesitate to contact to us.

Yours sincerely

Laura Winston
Head of School
