WELCOME TO DREAM BIG PATHWAYS!

DREAM BIG PATHWAY CAREERS CURRICULUM

Our Dream Big Pathways newsletter shares the exciting careers learning, experiences and opportunities taking place across Carr Junior School. We want our children to dream big, explore their possibilities and discover the many different pathways they could take in the future.

HOW WE EXPLOR CAREERS

- **Career of the Month**
  Our regular assemblies introduce different jobs and the skills and qualities people need.
- **Careers Circle Times**
  We explore jobs, future aspirations and the world of work through discussions and questions.
- **Half-termly Careers lessons**
  Each half-term, our children take part in dedicated careers lessons using Unifrog's careers curriculum. Through engaging activities and discussions, they explore their strengths and interests, discover different jobs and pathways, and develop important skills for the future.

1. Grow throughout life
2. Create opportunities
3. Balance Life and work
4. See the big picture
5. Explore possibilties
6. Manage careers

REAL LIFE CAREERS EXPEIRENCES

Visitors and workshops bring careers to life , helping children ask questions and discover different professions and pathways

CAREERS CONVERSATIONS AT HOME:

Why not ask your child:

What job would you like to find out more about?
What skills do you think you would need?
Who do you know who does an interesting job?
What would you like to learn about in the future?
What job would you like to try for a day?
